Thomas E. Williams, Jr., Ed.D., Superintendent

For Kanawha County Upcoming Kindergarten Students Needing a WVEIS ID# for the Hope Scholarship

Due to the large number of Hope applicants in our county, the assignment of WVEIS ID#s is managed at the individual elementary school level instead of at the central office. **Please contact the secretary at the local elementary school in your home attendance district to arrange an appointment to acquire a WVEIS ID#.** If you are unsure of which school this may be, you can contact the Attendance Department at 304-348-1343 for assistance. The only documentation that will need to be presented to the elementary school to obtain a WVEIS ID# is a Hope Scholarship Notice of Intent (NOI) form with all fields except the WVEIS ID# completed. The elementary school secretary will utilize the information on the NOI form to assign your child a WVEIS ID# and will provide the number to you to complete the WVEIS ID# field on the NOI form and to utilize on your Hope Scholarship application. **Once the WVEIS ID# has been assigned by the school, please submit the completed NOI with the WVEIS ID# included to the Kanawha County Central Office by email at schoolchoice.kanawha@k12.wv.us.**
